

The Advanced Modern Apprenticeship/Modern Apprenticeship includes:

- the Information & Library Services NVQ at Level 3
- Key Skills
- The Technical Certificate

Timescales

There is no tight time restriction, but a Foundation Modern Apprenticeship/National Traineeship is expected to take at least one year. An Advanced Modern Apprenticeship/Modern Apprenticeship is expected to take at least two years.

A young person can progress from the first level to the second, and this is encouraged in some job roles when the Apprentice/Trainee has no previous work experience within this Sector.

Funding

A contribution towards the cost of the programmes is provided by the local Learning & Skills Council (LSC) in England, or Education & Learning Wales (ELWa).

*isNTO*, your local LSC or ELWa, as appropriate, will be able to advise you on funding – what it covers and how to access it.
